To: The Principal; Colégio Sinodal  
São Leopoldo

Dear Sir,

Thank you for your interest in sending your students to learn English and culture at GEOS Language Academy-Ottawa.

GEOS Corporation has been providing language training for more than 30 years and has campuses all over the world. GEOS Canada was established almost 20 years ago and has its head office in Vancouver. We of GEOS Corporation pride ourselves on our student-centered and communicative approach to language learning, and have found it to be effective with students from every nationality.

GEOS Canada is a member in good standing of CAPLS (the Canadian Association of Language Schools – [www.capls.com](http://www.capls.com)), and CEC Network (The Canadian Education Centres Network – [www.cecnetwork.ca](http://www.cecnetwork.ca)). Both of these bodies are responsible for ensuring that their members offer the best in program quality, academic excellence, certified instructors, fair pricing and honest marketing.

GEOS Corporation also has a great deal of experience in providing quality short-term holiday programs to students from all over the world. By the end of November, 2006, GEOS North America will have provided holiday programs to over 1400 participants, for a total more than 4300 weeks of study. Participants' nationalities include French, Spanish, Japanese, Colombian, Taiwanese, Italian, Mexican, Thai, Turkish, and of course Brazilian. In the Ottawa location, we have welcomed groups from Korea, France, Turkey, Mexico and Brazil.

For your information, I want to also confirm:

Ms. Doris Sfoggia will be the Representative of the Group from Colégio Sinodal

Dates: January 29–February 23, 2007.

GEOS Language Academy-Ottawa has been very impressed with the level of care and the great attention to detail that Ms. Sfoggia gives to her groups. It makes our working relationship very pleasant, and reduces concerns of parents and students.

If you have any questions at all, please do not hesitate to contact me at any time,

Sincerely,

Martha Munroe  
School Manager
